# A SERIOUS INJUSTICE

## Cardinal speaks out after sex abuse convictions are quashed

**By PAUL JONES**
news@sundaysport.co.uk

**CARDINAL George Pell has welcomed Australia's highest court clearing him of child sex crimes and said his trial had not been a referendum on the Catholic Church's handling of the clergy abuse crisis.**

Pope Francis' former finance minister had been the most senior Catholic found guilty of sexually abusing children and spent 13 months in prison before seven High Court judges unanimously dismissed his convictions.

**CARDINAL: George Pell**

The cardinal said in his first public statement since he was convicted in December 2018: "I have consistently maintained my innocence while suffering from a serious injustice.

"I hold no ill will toward my accuser", a former choirboy whose evidence was at the core of the 78-year-old cleric's prosecution.

### Doubt

The High Court found there was reasonable doubt surrounding the evidence of the witness, now the father of a young family aged in his 30s, who said the then archbishop had abused him and another 13-year-old choirboy at St Patrick's Cathedral in Melbourne in the late 1990s.

Mr Pell added: "My trial wasn't a referendum on the Catholic Church, nor a referendum on how Church authorities in Australia dealt with the crime of paedophilia in the Church.

"The point was whether I had committed these awful crimes – and I did not."

A judge and lawyers had urged two juries in 2018 to try the cardinal on the evidence and not on his senior position in the church's flawed responses to clergy abuse in Australia.

The first trial ended in a jury deadlock and the second unanimously convicted him on all charges.

The Survivors' Network of those Abused by Priests said in a statement they were "dismayed and heartbroken" by the decision.

Sydney Archbishop Anthony Fisher called for the ruling to end the pursuit of the cardinal in the courts, adding: "I am pleased that the cardinal will now be released and I ask that the pursuit of him that brought us to this point now cease."

The cardinal had been serving a six-year sentence after he was convicted of sexually assaulting the two boys in 1996 and 1997.

# Pic up your fave newspaper – and lots more – at your brilliant local neighbourhood retailer

**UP and down the country, millions have been sent home to work, or even laid off, as the Great Coronavirus Shutdown grinds Britain to a halt.**

But some are still working full-tilt.

Our NHS and other front line workers, of course, are in the vanguard, battling to keep us safe from the ravages of the deadly virus.

But there are others, too, who are also working hard – harder than ever in some cases – and we reckon it's time to give them a shout out too!

We're talking about Britain's army of small neighbourhood shopkeepers, the Open All Hours traders who welcome customers from the lark's first whistle to the dead of night.

Newsagents, off-licences, tobacconists and grocers – often all four in one – THESE are the shops which form the backbone of the High Street.

What's more, the independent stores are the ones which stock your favourite Midweek, Weekend and Sunday Sport.

Thanks to their huge range of wares, long hours and customer service that's second to none, our local shops are being rediscovered by millions during the crisis.

The fact that corner shops are, well, on the corner, means they are particularly useful in these times, when we're limiting how far and how much we travel.

It's important that this is not just a blip caused by the virus.

When this is over, we should all use our local shops MORE and keep our vital community hubs thriving.

That's why we urge every Sport reader to fill a basket of groceries and goodies when they pop in to buy their favourite paper.

Why trek all the way to a big, faceless supermarket when everything you need to buy is on your doorstep?

By supporting your local shop, you are supporting local business, you are supporting local communities and you are supporting your favourite newspapers.

Without our brilliant readers and our brilliant retailers, the three Sport newspapers would be no more.

We're all in this together, folks. Let's give each other a helping hand!

And to make it even easier… we've printed a coupon on this page.

Hand it to your local shopkeeper so they can RESERVE your copy and you'll never miss out.

**You don't get service like that at your big superstore.**

# Nudists get green light from police

NUDE sunbathing in your back garden during the COVID-19 outbreak is fine, say police – as long as you tell your neighbours first!

According to the Crown Prosecution Service, "a balance needs to be struck between the naturist's right to freedom of expression and the right of the wider public to be protected from harassment, alarm and distress".

The police always advise those who do want an all-over tan to be inconspicuous.

A spokesman for Avon and Somerset Police said: "It only becomes an offence if it can be proved that the person stripped off with the intention to cause distress, alarm or outrage."

# Blowies cause coronavirus – says 9/11 nut

**FORMER US presidential candidate Pat Robertson claims that having ORAL SEX causes COVID-19.**

**Evangelist preacher Robertson said: "Some of these young 'uns are doing all kinds of unnatural things with their sex organs.**

**"When people do that, they transfer all sorts of chemicals from ladies' private parts and that's where I think the virus came from.**

**"We never had this kind of thing when I was growing up... but no-one was committing oral sex back then."**

**Robertson, 90, once blamed the September 11 World Trade Center attacks on "witches and lesbians".**

**In 1988 he stood as a Republican candidate for the United States presidency but was beaten by eventual winner George H. W. Bush.**

# Lockdown sex workers to get government aid

THE government in Bangladesh has started sending out emergency food and aid to the tens of thousands of women working in the country's commercial sex industry as brothels across the nation close down to try to contain the spread of Covid-19.

The closures will leave many hookers with no way of supporting themselves.

Local government official Rubayet Hayat, from the sub-district of Goalanda, said food and financial aid from the flood-plagued nation's disaster management and relief ministry would start to be distributed by the end of this week.

He said: "There are 1,800 sex workers in the brothels under our jurisdiction. We have asked for 30kgs of rice and money (£20) for each of these women, and we have got the initial approval."

# TRUMP BANS PORN BABES FROM VIRUS PAYOUT

**By BRAD CHADWICK**
news@sundaysport.co.uk

**YANK leader Donald Trump has moved to BLOCK porn stars claiming coronavirus financial relief – even though he is accused of having being VERY close to one grumble starlet.**

The president announced a £1.6 TRILLION coronavirus relief package to prevent the economy from plummeting and sustain small businesses and freelancers

But Trump's administration now requires applicants for the new COVID-19 Economic Injury Disaster Loan application on the SBA website to swear under penalty of perjury that they do "not present live performances of a prurient sexual nature".

In addition, legal cannabis sellers, dispensaries, casinos, lobbyists and members of Congress are also barred from applying for the loan.

## Slice

Some in Washington have suggested that Trump has barred porn stars from getting a slice of the action because of his ongoing feud with grot star Stormy Daniels.

Stormy – real name Stephanie Clifford – claimed to have had an affair with the president in 2005 and provided descriptions of his genitals.

During the 2016 election campaign, Trump was forced to deny he'd slept with Stormy and paid her hush money.

Yanks have reacted with fury at freelance porn stars being banned from the handouts while megabucks oil companies can still cash in.

One Twitter user posted: "The exclusion of strip clubs, brothels, independent contractors and porn companies from getting loans from SBA is super f**ked."

While another wrote: "Trump paid $150,000 to bang a porn star but hasn't given that amount of money to help with coronavirus. Let that sink in."

Another waded in with: "The multibillion-dollar oil industry now needs a bailout?! Insane! They've been making hundreds of billions of dollars per year – don't they have any savings?!"

Alana Evans, President of the Adult Performers Actors Guild, said: "From my understanding, COVID-19 is not choosing its victims based on their social or economic background.

"But the US Government has decided millions of its tax-paying citizens are now unworthy of their federal aid because we have 'prurient' jobs".

# FEARS FOR PIERS AFTER 'COUGHING FIT' ON GMB

**PIERS Morgan was forced to deny being ill – despite coughing for the first TEN minutes of *Good Morning Britain* yesterday as he begged the nation to rally behind Boris Johnson.**

**The presenter (*left*) coughed as he urged Brits to stand behind the Prime Minister, prompting many viewers to question his health.**

**He responded to one to say: "All good thanks Elizabeth, just clearing my throat after a fairly sleepless night."**

**Piers told his viewers: "It was an extraordinary night last night. There must have been complete panic in Downing Street.**

## Rally

**"Everyone has got to rally behind him now, no matter what you think about him he is fighting for his life, on a human level everyone has got to rally behind him. They wouldn't have given him one of those beds unless it was serious, that in itself is alarming."**

**But throughout his rallying address Piers was continuously coughing – prompting social media users to question his health and to worry that he too had fallen prey to the killer death bug.**

**One wrote online: "Morning guys. Is Piers Morgan OK? His eyes are red and he seems to have a cough of some kind."**

**Another Twitter user said: "I think Piers has got COVID-19 – he has coughed about 10 times so far."**

**And another fan wrote: "I'm watching you from Paris this morning. Are you feeling well? You've been coughing a bit this morning! Stay safe and keep yourself protected."**

# VILE LEFTIE TROLLS MOCK BORIS AS PM FIGHTS FOR LIFE

TARGET: PM Johnson

I hope Boris Johnson dies

COMMENTS: Evil online posts

**SICK-MINDED hard-left trolls danced online jigs of glee at news that Boris Johnson had been taken to hospital and moved to intensive care.**

By SIMON DEAN
simon@sundaysport.co.uk

Some warped keyboard warriors even wished DEATH on the Prime Minister as he fought for his life in hospital.

Mr Johnson was admitted to St Thomas' Hospital in central London with "persistent symptoms" of COVID-19 on Sunday and was quickly moved to intensive care on Monday evening after his symptoms worsened.

It was announced that the PM's number two, Dominic Raab, was taking the reins while Boris regained his health.

But the crisis at the heart of Government was catnip to lefties – still smarting that their ultra-left hero, Jeremy Corbyn – had been trounced by the Tories at last year's election.

One Twitter troll – whose timeline oozes anti-white race hate – crawled from under his rock to jeer: "I hope Boris Johnson dies."

While another said: "I hope Boris Johnson doesn't die – it's f**king impossible to organise a street party just now."

## Scum

A Cabinet source said: "These people are mentally ill and it is rather worrying that they are allowed to walk the street among normal, right-thinking folk. To call them scum would be a grave disservice to scum."

Yesterday a No.10 spokesman reported that Boris Johnson was "in good spirits" after spending the night in intensive.

He said the Prime Minister, 55, was stable overnight and is being given oxygen – and was not on a ventilator.

Meanwhile, Cabinet Office minister Michael Gove became the latest politician to self-isolate after a family member showed symptoms.

Mr Gove said he did not have symptoms and will continue working at home.

Speaking to BBC Radio 4's *Today* programme earlier, Mr Gove pledged that if there is any change in his condition "No.10 will ensure the country is updated".

Meanwhile, leaders from all around the world – including Russia's President Vladimir Putin and Yank President Donald Trump have sent messages to Mr Johnson wishing him well.

## Cheap bread driver pulled doing 110mph

A SPEEDING motorist was fined for travelling from Nottingham to London during the coronavirus lockdown to "buy bread because it was £1 cheaper".

The car had been travelling on the M1 northbound at 110mph before Leicestershire road policing unit pulled the driver over.

The force said he had two young children in the car and had been reported to court.

In a tweet, LRPU said: "Just stopped a car doing 110mph on the M1 north.

"The purpose of the journey from Nottingham? To buy bread in London because it was £1 cheaper.

"He also had his 2 young children in the car! Reported to court. #thatcouldcostsomedough".

## Working from home 'bad for your health'

**PEOPLE forced to work from home because of the coronavirus crisis are drinking more alcohol, eating less healthier food and having problems sleeping, a new study says.**

**A poll of 500 workers by the Institute of Employment Rights also showed a sharp rise in musculoskeletal issues.**

**More than half of those polled reported new aches and pains, especially in the neck, shoulder and back, compared with their normal physical condition.**

**Diet and exercise are on the wane, with one fifth of respondents admitting to an increase in alcohol consumption, while a third said they were eating a less healthy diet, and more than half acknowledging that they are exercising less.**

**Poor sleep and a higher risk of exhaustion are also a cause for concern, said the report.**

## Minister admits being idiot over day at seaside

NEW Zealand's health minister has described himself as an "idiot" and has been stripped of some responsibilities after breaching the country's strict lockdown measures.

David Clark drove 12 miles to the beach to take a walk with his family.

He said that at a time when the government was asking New Zealanders to make historic sacrifices by staying at home, he had let them down.

"I've been an idiot, and I understand why people will be angry with me," he said in a statement.

The country's prime minister, Jacinda Ardern, said she was stripping Mr Clark of his role as Associate finance minister and demoting him to the bottom of the Cabinet rankings.

# AS THE LEGENDARY HOLLYWOOD HUNK IS SPOTTED

# BRAD

**By JAYNE FERGUSON**
news@sundaysport.co.uk

**BRAD Pitt reportedly has a new bird in his life.**

Now there's a sentence you don't hear often – NOT!

The 55-year-old *Once Upon A Time In Hollywood* actor and *Arrested Development* actress Alia Shawkat, 30, were first seen together last year.

And eagle-eyed showbiz types have noticed they keep popping up together.

Pals of the pair insist they are "just friends" – but hunky Brad has something of a reputation when it comes to starlets.

Brad and Alia were first seen leaving the opening of the show *A Play is a Poem* in Los Angeles side by side.

In 2017, Alia came out to *Out* magazine as bisexual.

"I remember my mom asking me when I was 10, 'Are you attracted to boys or girls?'" Shawkat said.

"I said I don't know. Now I consider myself bisexual, and I think balancing my male and female energies has been a big part of me growing as an actor."

Alia has starred in *Arrested Development*, *Whip It*, *The Final Girls* and *Green Room*.

Has Alia joined the long list of ladies in Brad's little black book?

We look at a few of his notable exes...

**ELIZABETH DAILY**

**ELIZABETH, 58, dated Brad in 1989 when the then promising actor was forging a career in Hollywood – and they stayed friends long after their alleged fling.**

**SIENNA MILLER**

**DUBBED 'Brienna', this hot Hollywood pair were once seen by onlookers 'looking intimate' at music festival Glastonbury and were reportedly 'exploring a casual summer romance'.**

**JENNIFER LAWRENCE**

**AFTER finding fame as Katniss Everdeen in *The Hunger Games*, 29-year-old Jen is said to have dated Brad.**

**She was also the victim of an evil hacker who stole pictures of her fully naked from her phone and posted them online.**

**CHARLIZE THERON**

**LAST year it was reported that Pitt was dating Charlize after being introduced to the actress by her ex-fiance Sean Penn.**

**It was Brad's first serious romance since he split from Angelina Jolie in 2016.**

**DEMI MOORE**

**DEMI has not only dated toy boy Ashton Kutcher but she also romanced Brad in 1998.**

**It's no wonder she got herself two hunks with these lovely breasticles!**

**JENNIFER ANISTON**

**THEY were the most famous showbiz couple in the world – but their picture-perfect marriage came crashing down when Brad cheated on her with his *Mr & Mrs Smith* co-star Angelina Jolie in 2005.**

**JULIETTE LEWIS**

**ALTHOUGH these two had a 10-year age gap, it didn't stop a then 27-year-old Brad pulling a then 17-year-old actress Juliette in 1990.**

# GIRLS!

**JILL SCHOELEN**

AFTER just three months of dating, Brad popped the question to his *Cutting Class* co-star Jill, 54, in 1989. The American actress dumped him shortly after and he said that moment was one of the worst of his life.

**SINITTA**

IN possibly the most bizarre romance in Hollywood history, Brad began dating pop star Sinitta in the late 1980s and the unlikely couple dated for two years.

**CLAIRE FORLANI**

DESPITE having never admitted their romance, it's widely thought Claire, 48, and Brad's on-screen chemistry on the set of 1998 film *Meet Joe Black* spilled off-set and they were caught canoodling at the movie premiere.

**GEENA DAVIES**

ICONIC film *Thelma & Louise* saw Brad gain his heartthrob status and 63-year-old Geena enjoyed bonking her hunky co-star for a whole year after filming had wrapped up.

**GWYNETH PALTROW**

AFTER meeting on the set of grisly thriller *Se7en*, Gwyneth, 47, spent three years with Brad. They were engaged before splitting in 1997.

**JULIA ORMOND**

ANOTHER co-star and another romance, 54-year-old Julia played his on-screen lover in *A Legend To Fall For* in 1994 and the pair were rumoured to have taken their chemistry off-screen too.

## 007 legend George Lazenby backs Margot Robbie for Bond role

SPY CATCH: Margot is bust perfect for George

**By JAYNE FERGUSON**
news@sundaysport.co.uk

**FORMER James Bond actor George Lazenby reckons *Wolf of Wall Street* stunna Margot Robbie should be the first female 007.**

The actor, 80, who only had one outing as Bond before he was replaced by the late Roger Moore, says his fellow Aussie is perfect to take on the role of the world's most famous spy.

Lazenby, who starred in *On Her Majesty's Secret Service* in 1969, said: "I would rather see a woman on screen than a man, so it might be a good idea having a woman play James Bond... Jane Bond.

"I think it's a good idea. I mean, why not? There's an Australian actress that I was just listening to on the television today, Margot Robbie.

"She would be good. She's ballsy. She comes across like she's very confident. If you can pull that off, people will believe you."

Former *Neighbours* sexpot Margot, 29, shot to stardom playing Naomi Lapaglia, the wife of Leonardo DiCaprio's real-life sex-and-drugs mad stockbroker character Jordan Belfort in *The Wolf of Wall Street*.

She famously appeared fully nude in one electrifying scene – pert boobs, wispy blonde fanny hair, the lot – while still only 23.

The launch of the latest Bond movie – Daniel Craig's last outing in the role in *No Time To Die* – has been delayed until the autumn after cinemas closed due to the coronavirus epidemic.

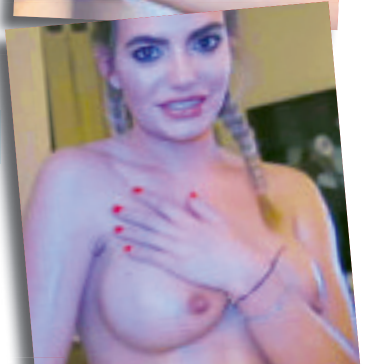
**ABUSE:** Megan is shocked by crude comments



**By JAYNE FERGUSON**

***LOVE Island* sexpot Megan Barton-Hanson says she has been targeted by trolls since reopening her naughty OnlyFans online account.**

The 26-year-old returned to the X-rated subscription service last week – but was immediately the victim of crude comments from keyboard warriors.

She said: "I've had a lot more negativity in my direct messages.

"It's sad, as most of it is based around my choice to reactivate my Only Fans account – I've had so much abuse for it.

"Even though the very first thing I said when I walked into the [Love Island] villa was 'yeah, I've worked in the sex industry but I'm not ashamed of it, so don't try and shame me for it because it is a part of me'.

"I've had so many people put me down, which is sad considering I've spoken so much about women's empowerment and letting women do what they want with their bodies."

Megan marked her return to OnlyFans with a sexy Instagram pic revealing a tantalising hint of underboob.

Alongside it, she wrote: "When lockdown is over and she walks in with a Nando's. Click the link in my bio to see more content like this on my only fans."

# 19 DEAD AS RIVAL DRUG CARTELS SHOOT IT OUT

A GUNFIGHT between men linked to Joaquin "El Chapo" Guzman's former drug cartel and a rival cartel left 19 people dead in northern Mexico.

Gangsters aligned with El Chapo's Sinaloa cartel traded bullets with drug traffickers from the Juarez cartel and other gangs in the state of Chihuahua, Mexican cops said.

Authorities recovered 18 bodies after the firefight in the township of Madera. Another man died a short while later in hospital.

Mexican soldiers were deployed to the area and recovered a number of weapons, including two grenades.

In January 2019, a Brooklyn federal judge sentenced El Chapo to life in prison – opening up a power vacuum in the cartel once considered the most prolific drug-dealing outfit in the world.

In October, gunmen from the cartel turned the city of Culiacán into an urban war zone when Mexican authorities arrested El Chapo's son, Ovidio Guzman López.

Mexican soldiers cut him loose in order to "protect lives" amid intense gun battles between cartel gunmen and authorities.

# WESTWORLD THANDIE: WHY I LOVE BEING NUDE ON SET

**By JAYNE FERGUSON**
news@sundaysport.co.uk

***WESTWORLD* star Thandie Newton says she loves stripping off for the sci-fi series.**

The actress – who catapulted to fame when she played Tom Cruise's love interest in *Mission Impossible 2* – says peeling off for the show's cameras is "safe".

London-born Thandie, 47, said: "*Westworld* is very different. I feel very safe during scenes where I'm not wearing much clothing."

The *Crash* star has previously explained how she does not need to wear a pubic wig for the role.

Her character, Maeve, often appears nude on the Sky Atlantic show, which is currently airing its third season on Monday evenings.

During those scenes, she's seen with a full bush – and Newton opened up about the fact that while many actors would often wear a merkin, she would not.

She said they do it to imitate pubic hair if they don't typically groom the same way as their character – but added that she's not a groomer.

## Plucking

The mum-of-three said: "I didn't need the merkin because I don't alter anything."

And she quipped: "Full '70s bush."

Though *Westworld* is set sometime in the future, much of it takes place in a wild West-themed theme park and every detail is important.

Newton says of the characters set in the prairie: "They weren't waxing and stripping and plucking!"

She insisted that the historical accuracy of the show is important and it's a huge reason why the characters on the show are seen with full pubic hair – either their own, or via merkins.

During an interview with BBC1's Graham Norton, Newton said another reason for not wearing a fanny wig was that they take around 45 minutes to put on.

# DINGLE SEX ACT SOAP SHOCKER

*EMMERDALE* star James Hooton has revealed a secret sex trick he tries to get into filming.

The actor – who stars as Sam Dingle in the ITV serial drama – spoke about how he often tries to make it look as if his character and bride-to-be Lydia (Karen Blick) have just been SHAGGING when they begin a scene.

And more often than not, that would involve him messing about with his trouser zipper.

## Nuptials

James said: "I always try to make it look as though we've just come out of post-coital situations.

"If we start a scene where we're coming down the stairs, I was always trying to zip my flies up on the way down for a laugh.

"The director would always pick up on it and say, 'James, please don't do your flies up on the way down from the stairs. We don't want to give the audience that impression'."

Sam and Lydia are set to tie the knot in upcoming scenes, but the day of their impending nuptials is not without drama.

Lydia is nowhere to be found on the morning of the ceremony.

However, she soon turns up, and rushes to get ready for the big day.

# 'No virus payout' man tried to set fire to wheelchair wife

A MAN tried to set his wheelchair-bound wife ON FIRE when he realised she didn't qualify for a coronavirus payout.

Joe Macias was arrested following an argument with his disabled wife, when he doused her with petrol.

She told cops Macias had come home with a four-pack of beer "upset because she did not qualify for the stimulus cheque" from the US government.

Police say the 63-year-old *(above)* threw petrol on his wife and throughout their trailer in Albuquerque, New Mexico.

She told officers Macias tried to light a cigarette but was unsuccessful due to the lighter being wet.

Officers later found Macias walking down the street, his clothes soaked in petrol.

The victim, whose hair and pyjamas were also soaked, was discovered on the floor inside the trailer.

Macias is charged with attempted murder, kidnapping and aggravated battery.

**FOR most industries, the lockdown and social-distancing measures imposed by governments around the world to contain the COVID-19 pandemic will be crippling.**

For video-streaming services, however, they could be a godsend.

Folks are facing what could be months of isolation at home – ideal conditions for binge-watching.

It is not an activity that requires much Blitz-spirit stoicism.

"Your grandparents were called to war," one Twitter user recently quipped. "You are being called to sit on the couch and watch Netflix. You can do this. #QuarantineLife."

Figures reveal use of telly streaming services such as Netflix have gone up anything between 18 and 85 per cent.

And some of the content available on the giant is VERY blue.

Today we look at some of the best tits – sorry, bits – on streaming telly….

But with us all being locked up at home and unable to go out to work, what do you do?

Watch telly.

I've been gripped by *Breaking Bad* and can finally see what all the fuss was about – all those years back when EVERYONE was watching it.

I've only got two episodes left to go and I'm not sure what to try next.

I have a feeling that everything will be a bit of an anti-climax after *Breaking Bad*.

I've not got Netflix, but *The Man in the High Castle* is on Amazon Prime.

Normally I only use Amazon for shopping – I'm a bit of a shopping junkie – but after the lockdown I started exploring the Amazon Prime streaming section.

There are loads of great movies and, of course, Amazon had moved into making telly too.

*The Man in the High Castle* is based on a novel by Philip K Dick – the man who wrote the book that *Blade Runner* is based on.

It's a kind of alternative history, set in the Sixties after the Axis have won World War 2.

It's a bit weird and a bit of a mind-f**k, but it's brilliant.

The British actor Rufus Sewell is in it and he's brilliant.

# THE BODY

**YOU might describe the discovery of Denise Huber's body as a strange coincidence.**

**By JUSTIN DUNN**
news@sundaysport.co.uk

To the woman who made the breakthrough, it was nothing short of divine intervention.

In July 1994 cops in Yavapai County, Arizona, received a bizarre phone call from Elaine Canalia.

She told them she'd seen a truck owned by John Famalaro, a man she had bought paint from, and had sensed an urge to investigate the vehicle.

"It was as if a spirit was pulling me to that truck," she said.

A cursory licence plate check revealed that the van had been reported stolen in Orange County, California, six months previously.

And when officers turned up and opened the truck, they discovered a power cord running to a padlocked freezer sealed with masking tape.

At first they presumed they'd stumbled upon a mobile 'meth lab' – a drugs factory of the sort made famous in the popular TV show *Breaking Bad*.

## Agony

But the foul smell suggested otherwise.

Upon lifting the lid of the freezer, cops gagged at the sight of a woman's naked body, wrapped in layers of black bin bags, her arms bound by metal handcuffs.

When the death was traced back to Famalaro, now 67, he was eventually sentenced to death by a court in September 1997.

**ILL LUCK: Denise was brutally murdered after her car broke down**

For Denise's parents, Dennis and Ione Huber, the agony didn't end upon learning their daughter had died.

Speaking recently, Dennis said: "He will die of old age in the prison, I believe, before he gets the death penalty.

"And we'll probably die before he does.

"The wound never heals. You just learn how to deal with it and it doesn't hurt quite as much as it did at first."

Ione added: "I can't tell you how much I still miss Denise. I think of her every single day."

Events began to unfold on June 23, 1991. Denise had graduated from the University of California-Irvine with a degree in social sciences and was working as a waitress while applying for jobs.

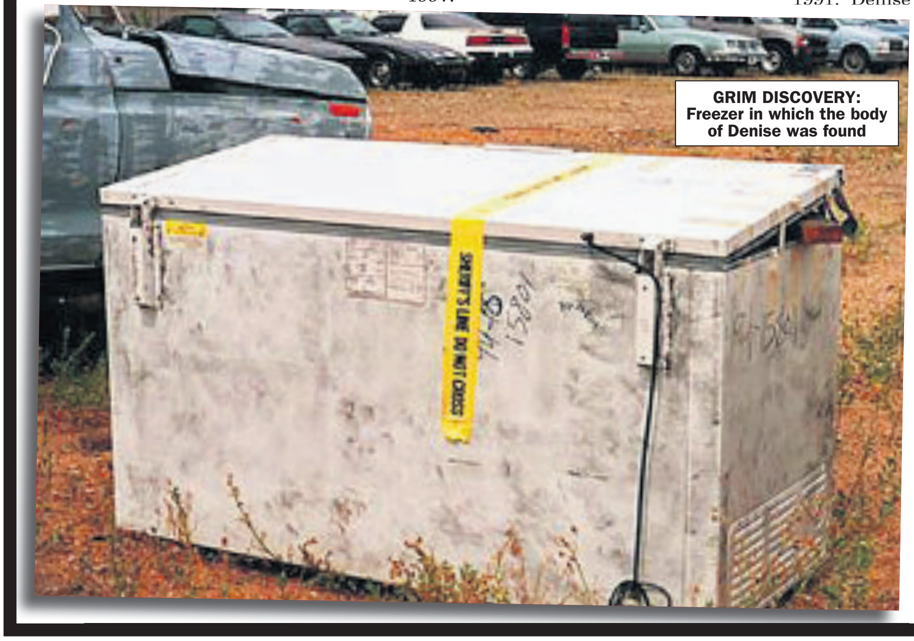
She had a lot of friends and a passion for waterskiing, travel, books and music.

As her cousin Carrie Vandenburg would later put it: "There were so many things that made Denise special – her laugh, her smile, her sense of humour.

"But I think the thing I loved most about Denise was she knew what was important to her. You couldn't help but love her."

Denise was on her way to her parents' house in Newport Beach after attending a concert when one of her car's tyres blew, leaving her stranded by the side of the road.

No-one knows if she tried to call for help, or walk to a nearby garage, or if she'd attempted to trek the rest of the way home.



**GRIM DISCOVERY: Freezer in which the body of Denise was found**

All we do know is that she wasn't seen again until the day detectives opened the lid of that freezer.

Denise's Honda car was found unlocked at the side of the highway the day after she went missing. The battery was dead from warning lights being left on.

In the immediate aftermath of her strange disappearance, the entire community sprung into action and started searching.

## Begging

Dad Dennis turned his car into a 'mobile billboard' as he drove endlessly around town with leaflets, begging the neighbourhood for any information that might help them.

Dennis and Ione had no idea whether their daughter was safe and well and had simply run away, or if a crueller fate had befallen her.

Ione recalls: "I cannot adequately describe the pain, the agony and feelings of helplessness and hopelessness that I experienced.

"The days turned into months and the months turned into years."

Detective Jack Archer was the man tasked with the investigation.

And he grew ever more certain that something terrible had happened to Denise.

He said: "She was a young girl who wasn't in trouble, wasn't into drugs and didn't appear to be rebellious. She wasn't someone that would just take off."

Police didn't know it at the time but Denise had the horrifying misfortune to fall prey to an evilly opportunistic murderer.

Neighbours described Famalaro – a painter and decorator by trade – as a 'loner' who went out of his way to avoid contact with them.

They also said he was a classic 'hoarder' who couldn't bear to throw anything away and whose front garden resembled a rubbish tip.

What they didn't know is that he was raised by an ultra-strict Catholic, domineering mother in Anne Famalaro, a fact which left "mental and emotional scars".

Famalaro's older brother, Warren, grew up to be a convicted child molester as both siblings were "unable to channel their sexual drives within what the law required".

On the night of Denise's disappearance, it's thought Famalaro just happened to drive past and see her stranded

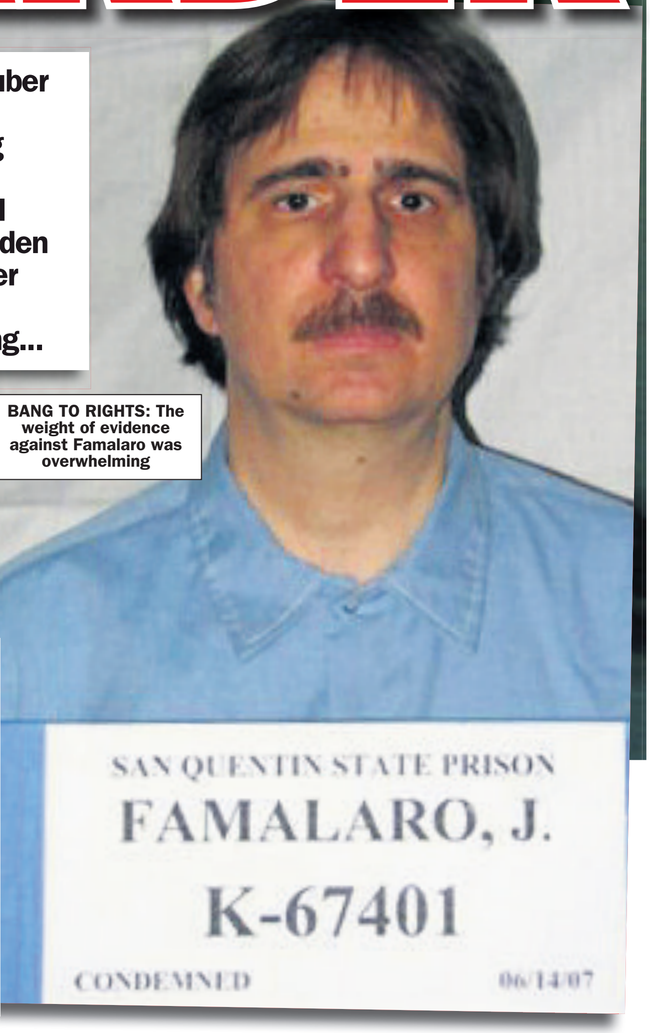
IN FRIDAY'S

# HOARDER

**WHEN pretty student Denise Huber disappeared after attending a concert, police spent three long years looking for her.**
**Tragically, the 23-year-old would later turn up dead, her body hidden in the FRIDGE of twisted hoarder John Famalaro, a man who just couldn't bear to part with anything...**

## MONSTERS OF DEATH ROW

**THE WORLD'S MOST EVIL MURDERERS AND THE HORRIFIC CRIMES THAT SAW THEM SENTENCED TO EXECUTION...**



BANG TO RIGHTS: The weight of evidence against Famalaro was overwhelming

HEART-BREAK: Dennis and Ione Huber endured years of torture

before pouncing like a predator.

After getting her into his car, he took Denise to a warehouse where he sexually assaulted her before caving her head in with a crowbar.

For the next three years he evaded justice while the Huber family faced ongoing torture.

Until, that is, the Hubers got a "miracle" in the form of Elaine Canalia's tip-off.

### Spirit

She says: "That truck... it just seemed so out of place.I assumed when I wrote down the licence number it was stolen.

"Never in my wildest dreams did I think that poor girl would be found in there."

Dennis Huber added: "Elaine saw the truck and she told us that she felt a spirit pulling her to it.

"She felt so compelled that she wrote down the licence plate number."

Dr Ann Bucholtz, a medical examiner, eventually performed the autopsy on Denise's body.

The court documents reveal: "Dr Bucholtz described Denise's skull as 'basically shattered'.

"There were numerous curved and oval-shaped fractures and lacerations. Brain tissue was visible through some of them.

"In some of these indentations were embedded pieces of the white plastic bags that had been wrapped around her head – the pieces matched slit-like tears in the bags.

"Dr Bucholtz concluded that the blows to Denise's head had been inflicted after the plastic bags had been put over it.

"She reconstructed the skull, enlisting the help of two doctors who had experience in human bone reconstruction.

"They concluded that Denise had suffered at least 31 separate blows to the head.

"There was no way to determine how many blows occurred beyond the minimum of 31 because there could have been fractures on top of fractures.

"Dr Bucholtz finally determined that death resulted from blunt force trauma to the head.

"Because the scalp has many blood vessels, Denise's injuries probably led to profuse bleeding if her heart was still beating at the time of the assault."

### Hidden

As Detective Archer reveals, Famalaro could have hidden his guilt forever if he'd simply got rid of the body.

"The problem was he just could not throw anything away," Det Archer said.

"That's what led to him getting caught.

"He's a hoarder. If he would have got rid of the body in the middle of the desert on the way to Arizona, we probably would have never solved the case."

The evidence against Famalaro was finally overwhelming.

When police searched his home they found boxes containing Denise's personal belongings, including her wallet, lipstick and car keys.

In another box, which was stained with blood, they found underwear, clothing and a hammer.

And when Famalaro took the stand, other skeletons tumbled out of his closet.

An ex-girlfriend, known as Cheryl W, described how she and Famalaro had taken a trip to New York, where he had proceeded to handcuff her to a window, strip her naked, open the curtains and then leave her there for several hours in humiliating agony, before returning, laughing.

Another ex told how he'd handcuffed her to a bed while trying to forcibly have sex with her. He'd eventually relented when she'd screamed "Rape!"

After being found guilty of Denise's murder, Famalaro, was told on September 6, 1997, that he was facing a lethal injection. Speaking of Denise's plight, Judge John J Ryan said: "Just imagine what was going through her mind."

He also referred to Denise's parents, adding: "Without argument, they made an extraordinary effort to locate their daughter. They both had difficulty with their work, eating and sleeping – but they always had hope.

### Feelings

"They went through years of pain. These were years of not knowing and hope."

Dennis revealed his most prized possession – a note Denise had left on his computer.

It read simply: "Hi, Dad. I love you. Have a great day. Love, Denise."

Denise's still-grieving brother Jeff summed up the family's feelings.

Shortly after Denise was laid to rest, he said: "I'd love to confront Famalaro with my bare hands. And you can put that in quotes."

# HOLLYWOOD SEX EXPERT 'TRIED TO FIGHT OFF HER KILLER'

Sexual Intellectual

VICTIM: Amie Harwick

**By BRAD CHADWICK**
news@sundaysport.co.uk

A HOLLYWOOD sex therapist who was thrown to her death from a balcony "desperately fought" against her attacker on the night she was killed.

Amie Harwick, 38 – who was previously engaged to comedian Drew Carey – was found dead outside her home in the Hollywood Hills.

Now medical examiners claim she was strangled and then pushed from her third-floor balcony.

Their report show she sustained wounds to her hands and fingers in the struggle that are "consistent with a combination of defence and assault type wounds – suggestive of an altercation."

Her ex-boyfriend, Gareth Pursehouse, 41, was arrested for murder and burglary and is accused of strangling and throwing Amie to her death shortly before 1am on February 15.

The report details Amie "sustained severe injuries of her brain, liver and pelvis in an apparent fall from a height. Injuries to her neck, particularly strap muscle haemorrhage, are consistent with manual strangulation".

A statement from the Sheriff's deputy told how Amie's roommate "was awoken by sounds of a female screaming".

The statement reads: "Screaming was coming from above his residence and he could hear sounds of some type of physical fight... he then realised it was Amie screaming."

After the discovery of Amie's body, Pursehouse was arrested, before then being released on £1.6million bail.

However, Pursehouse was re-arrested the following day on a no-bail warrant and charged with one count of murder and another of first degree burglary.

The sex therapist had a restraining order against Pursehouse, but it had expired in 2015.

Amie dated Drew Carey for two years before the pair split in 2018, just a few months after announcing their engagement.

*The Price is Right* host said he was "overcome with grief" following her death.

Paying tribute to her on Twitter, he said: "I hope you are lucky enough to have someone in your life that loves as much as she did."

# HE'S BACK! JUSTIN DUNN'S ROOM 101

## WHAT'S ANNOYING HIM THIS WEEK?

## Open golf courses to the public... it'll really piss off the toffs

**THERE'S a classic joke about two old duffers doddering about on the green at the 17th hole when a hearse trundles past on the road nearby.**

One of them turns towards it, removes his cap and bows his head, as his playing partner remarks: "That's very respectful of you, Bunny."

"It's the least I could do, Teddy," replies the golfer, twitching his moustache. "After all, we've been married for 55 years."

One day, science – if we haven't all melted to death by then – will explain why bewildering numbers of golfers, for reasons known only to them, think they're on a different plain to the rest of us.

Their self-righteousness is so shrieking it's probably on a par – ahem – with those who agree that a teen with mental health problems knows more about climate than anyone else.

So yes, it's right that people are suggesting that golf courses – shut thanks to this sodding epidemic – should be unlocked and used as open spaces for our recommended hour's exercise every day.

They are vast, empty and everywhere.

And social distancing – which should now be adopted in supermarkets until the end of time – could easily be achieved.

And if nothing else, it'll really piss off the toffs in their terrible jumpers and ridiculous shoes who seek to protect their tidy, manicured lawns at any cost.

If we're "all in this together" – a phrase we hoped had died along with George Osborne's political career – then let's see them prove it.

Because a golf course is little more than a big, private park with a few holes in it.

## Who cares about the bloody weather?

**IT'S bad enough that most of us are stuck at home while the plague takes us out like a game of whack-a-mole.**

**Even worse is that the missus is, too.**

**Handy for fetching drinks and Super Noodles, yes, but it means a gentleman's otherwise solitary form of relaxation – knocking things up in the shed, obviously – is somewhat curtailed.**

**That leaves us with grim wall-to-wall 24-hour news, interspersed only by sports bulletins about sport not taking place, and the bloody weather.**

**It's how it's presented that makes me boil hotter than an Ebola victim.**

**The solemn news reader shuffles his papers and then says: "And now here's Helen with the weather."**

**Then Helen, or Gill, or Lucy, or whoever appears – sometimes even with two arms – and cheerfully starts rabbiting on about warm fronts or cloudy skies.**

**But no one is noticing – if indeed we ever did – because despite their gurning, grinning smiles, they always get it wrong, like they did at the weekend with the heatwave that never was.**

**And besides, the only bit of weather we're really arsed about is the looming Cloud of Death.**

# Smoker fined for mountain rescue gaffe

A FRENCHMAN broke quarantine in search of cheap cigarettes — and ended up sparking a major rescue operation when he got LOST in a mountain range.

The smoker tried to cross into Spain from his home in Perpignan in southern France, but was stopped by police at a checkpoint.

So he decided to hike through mountains that split the two countries, only to stumble into a stream and then some thick brambles.

Realising he was lost, the nicotine fiend called the emergency services, who sent a helicopter to search for him, the police rescue service in the Pyrénées Orientales region wrote on Facebook.

The “unfortunate” smoker was found a short time later, “exhausted, shivering with cold and lost,” the rescuers said.

After he was hoisted up to safety, the unnamed man was given a £100 fine for breaking France’s coronavirus lockdown rules.

# LESBO LAPDANCE KILLERS CUT OFF VICTIM’S FINGERS TO STEAL £60,000

**VICTIM:** Diogo Goncalves

**NURSE:** Mariana Fonseca

## Severed digit used to access internet bank

By COLIN HURST news@sundaysport.co.uk

**A LESBIAN couple have been arrested on suspicion of killing a man and chopping off his fingers to access his bank account to steal a £60,000 inheritance.**

Parts of hotel worker Diogo Goncalves’ dismembered body were discovered in different areas of the Algarve, Portugal.

Police arrested two women, aged 19 and 23, on suspicion of murdering the 21-year-old man and desecrating his body.

Security worker Maria Malveira, 19, allegedly promised Diogo a lap dance so she could tie him to a chair before strangling him, then dismembering and dumping his body over nearly a week with the help of nurse lover Mariana Fonseca.

### Sword

His head was found in Tavira and his torso an hour-and-a-half’s drive away in Sagres at the western end of the Algarve.

His arms and feet – also thought to have been dumped in Tavira after being cut off with a sword and a meat cleaver – are yet to be found.

Police spokesman Antonio Madureira has stated the gruesome murder was thought to be financially motivated and involved the alleged use of the victim’s unique prints on his chopped-off fingers to access his bank details on his phone and transfer money from his bank account.

The victim is said to have received £60,000 after his mother was run over in July 2016.

Malveira reportedly had a secret affair with Diogo before moving in with Fonseca.

She is accused of dismembering him with her lover at their home near Lagos.

The suspected killers have been remanded in jail after appearing in a closed-court hearing.

# BAKE OFF KELLY’S TOPLESS ROMP IN THE SEA!

**CURVY Kelly Brook raised more than just flour when she appeared on a celebrity version of *Bake Off* this week.**

**The stunna, 40, had viewers drooling for more than just icing when she popped up on Channel 4’s *The Great Celebrity Bake Off* for Stand Up to Cancer on Tuesday night.**

**Just the sight of her handling buns sparked memories of her performance in the 2005 flick *Survival Island*, where she went TOPLESS for an incredibly raunchy beach scene.**

**In the film, a man chases her down a beach, frees her left boob from her skimpy bikini top, and has rough sex with her right there on the sand.**

**Model Kelly also appeared completely nude in an underwater lesbian sex scene in the 2010 comedy horror flick *Piranha 3D*.**

**One production source said: “Put it this way, it wasn’t just the bottoms that were soggy on set.”**

# THE WORLD FAMOUS AGONY Page

## Dear Dani,

MY pub pool team is breaking up and I'm worried that I'll lose touch with one of my star players, who just happens to be a blonde stunna with a gorgeous arse.

She is a borderline nymphomaniac and had regularly been letting me pot her in both holes after our matches.

The problem is that I'm married and the missus is getting suspicious.

I've had to keep my cue in my trousers and rarely get the chance to play with my balls.

What can I do?

*PT, Manchester*

**Dani says…**

**TRY chalking up a few shags with the missus instead.**

## Dear Dani,

I'M gutted that Wimbledon has been cancelled this year, as I am addicted to watching women play tennis.

All those tight little white shorts and tops get me hard.

You can imagine their boobs bouncing up and down and their tight fannies sluicing about as they run for the ball.

Last summer, I travelled the county where I live to watch as many women's tennis matches as possible.

At one I nearly got caught wanking behind the changing rooms and had to jump in my car and drive away.

Do you think I'm taking too much of a risk?

*JP, Berkshire*

**Dani says…**

**KEEP it in your trousers – or you'll end up getting arrested.**

## Hotel job brings me lots of sex and tips!

## Dear Dani,

I'VE been working as a porter for some time in a big city hotel and my pals are always taking the piss out of me.

But I love my job, and here's the reason why.

In my first week I shagged a gorgeous American visitor whose bags I took up to her room.

She told me to close the door and thenasked if I found her attractive.

I said yes and she led me to the bed, undressed and told me to take her from behind.

So there I was, at work, with my cock sliding in and out of her, while my mates were working and not having anywhere near as much fun!

After we'd finished, she gave me a £50 tip and told me there was more if I 'looked after her' during her stay.

I've had quite a few guests since and I'm not only coining it in but getting more shags and blowjobs than you can shake a stick at.

I was thinking about looking for another job, but I'd miss the sex and tips!

What shall I do?

*DE, Birmingham*

**Dani says…**

**IT'S a no-brainer. Stay put and carry on shagging!**

# Horny babe helped me get back in sex saddle

## Dear Dani,

**I'M a 48-year-old businessman and I've lived on my own since my missus left me two years ago.**

I'm not a bad looker and I keep myself reasonably fit at the gym.

But obviously two years is a long time to go without any sex – and a man can only have so many wanks in a day before feeling the need for some proper physical contact.

So I stopped feeling sorry for myself and decided to do something about it.

I had a plan and started revisiting all my old haunts in the hunt for totty.

Amazingly, I soon met a gorgeous girl in her late 30s in a bar I used to go to and we hit it off straight away.

After a few drinks she began blatantly rubbing her hand up and down my leg and I was shocked to discover how forward girls have become since I've been off the social scene.

Not that I was complaining.

She made it plain she was up for it, so I wasted no time in asking her back to my place.

She had her hands all over me in the taxi, feeling the bulge in my trousers, and I couldn't wait to get her inside.

### Munching

She wasn't interested in any kind of small talk and I had barely closed the door behind us when she locked lips and began snogging me.

She was a great kisser too, as she took my tongue, enfolded it in hers and sucked for all she was worth.

I couldn't wait any longer. I managed to disentangle myself and led her to my bedroom, where she tore off my clothes and began munching greedily on my prick.

Within a few minutes we were shagging each other silly and I managed to keep going for quite a while.

We ended up doing each other in every position I've ever seen in sex manuals and in my massive collection of porn DVDs.

The problem is that I'm not as flexible as I was and ended up pulling a muscle, which has temporarily put me out of any bedroom action.

I'm worried that I might lose the little minx if I can't keep up with her.

What do you think?

*JS, Merseyside*

**GET yourself as fit as possible as quickly as possible. She sounds too good to lose.**

# Fiance's 'no anal, no wedding' shock

## Dear Dani,

MY fiance has just told me that he doesn't love me any more – just two weeks before our wedding.

I'm absolutely devastated. I never saw this coming and I thought that everything was going great until the other night.

Then, when we were in bed having a good time, he asked me to get on my hands and knees for doggy-style sex.

No problem there. We've done this loads of times and I quite like it – but this time he asked to put his pinkie into my botty!

I was really shocked, and I have to admit a little disgusted too, and I let him know I wasn't up for it.

### Horrible

He was in a bit of a mood after that and he even said a few horrible things to me before we went to sleep without kissing each other goodnight.

The next morning when I woke up he was not in bed with me and there was no sign of him anywhere in the house.

And there was another shock waiting for me when I got downstairs.

He had left a note on the kitchen table saying if I wasn't prepared to let him have anal sex in the future, then he doesn't want to marry me.

What should I do?

*LB, Essex*

## Dani says...

**IF he's that much of a prat, you're better off without him.**

## Dear Dani,

**I'M a 19-year-old fella who is going out with a gorgeous girl the same age as me.**

**She is 5ft 9ins and athletic, with a really great body.**

**The trouble is she won't let me shag her because she says my cock is way too big. It's 11 inches on the bonk.**

**Anyway, last week she invited me to stay over at her place.**

**Well, it's not hers, she still lives with her mum and dad, so though I hoped she might relent, I didn't expect to get the chance to give her one.**

**I was lying awake in the small hours in the spare bedroom, playing with my cock, when the door inched open and someone crept in.**

**The next thing I know I felt a pair of lips wrap around my stiff meat.**

**I was just about to blow my load when she twisted round and pushed her sopping wet pussy on my dick, taking every inch inside her.**

**I was in heaven as she rode me and I soon came inside her.**

**When the bedside light got switched on, it was my girlfriend's mum!**

**I've boned her a few times since but I wonder how my girl would feel if she found out.**

**What do you think?**

***AJ, south Wales***

## Dani says...

**NOT too pleased, I reckon.**

## #MY SEX FANTASY

# 'I can orgasm in my butt – so I love anal sex and rimming'

...WITH JENNY McCLEAN, 29 36F-26-36 FROM BRIGHTON

**I LOVE, LOVE, LOVE a bit of anal sex! I'm lucky in that I'm able to orgasm in my butt, so I welcome a hard cock up there!**

I like a finger up there too. I like lots and lots of lube and for it to start off slow, until I'm begging for dick!

I enjoy sex toys used on me there too to warm me up, such as a virbrating butt plug.

Using one of those first means it won't take me long to climax when I'm penetrated.

I'm also a fan of being licked there – and I'm willing to return the rimming to my fella if he's into that too.

The key is to go gentle at first. It is a delicate area, so a bloke can't just ram himself in.

But if they put some effort into building up the pleasure, it can be my favourite thing to do in the bedroom.

I love giving the guy a treat too, as I'm told it feels so much tighter."

MIDWEEK Sport ALWAYS HOME OF TOPLESS BABES

SEX-MAD Katerina Hartlova has been crawling up the walls craving a good, hard shafting since the coronavirus lockdown began.

Because the 28-year-old beauty, from Peterborough, has a boyfriend who lives in her native Czechia.

And she hasn't had a good banging for a month!

The mega-boobed 36F babe said: "We have been doing a lot of very naughty FaceTiming and he has seen me put all kinds of things up myself.

"The other day I was giving myself a satisfying double penetration, with a courgette up my arse and a carrot in my fanny – both in condoms, of course.

"But the problem is, nothing I can penetrate myself with is as good as a hard cock!"

**IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!**

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another **£5 OFF** the already low, low price.

*Down On Abby* is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Smallc*** and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

*We see plenty of R18 DVDs at the Sport but this one is really something special and one you MUST not miss!*

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

### Ironic

The 34C babe said: “It is a bit ironic that I support County when my surname is Forrest but that’s just how it is.

“I’m County through and through, even if they’re not in the big leagues at the minute I’ll never desert them.”

ONCE A RED: Coutinho

# KLOPP: COUTINHO RIGHT TO LEAVE US

By ANDY MILLOM

**JURGEN Klopp says he would have liked Phillipe Coutinho to stay at Anfield — but understands why he went to Barcelona.**

**It took well over a year for the Catalans to prise the Brazilian away from Liverpool and they finally got their man in 2018. They had to pay a staggering £142m which the Reds have invested wisely since.**

**Saying the move didn't work out for the playmaker would be an understatement.**

**He was never really played in his proper position by Barca who stuck him on the wing for some reason.**

**After just 52 appearances he was farmed out to Bayern Munich and rumours are now rife of a move to Chelsea, Spurs or even Manchester United when football gets back to normal.**

**While many Liverpool fans have the hump with Coutinho after he got a "back injury" in his latter days at Anfield, there's no hard feelings from the boss.**

**But he had good reasons for making Coutinho wait.**

BIG DEAL: Jurgen Klopp

## Hard

**Klopp said: "I really respected Phil's wanting to switch from the first second.**

**"Not that I do that all the time but it felt oh wow that could be difficult.**

**"So it's not about yes we signed a new contract so many weeks before that but it was really clear he would not have asked me for any other club but for this club, there was no chance.**

**"Then we had to be hard in the summer because we had no other solution.**

**"We lost Adam Lallana injured in that time as well, we would have lost two players.**

**"That's not possible, you cannot solve that on the transfer market.**

**"He was open to staying and that was really cool.**

**"Then you have to be fair in the window and say we can do it, we don't like it but we can do it."**

**It doesn't sound like Coutinho will be heading back to Anfield though.**

**Klopp added: "Phil was our boy for a long time. We respect him a lot and wish him all the best.**

**"That's how football should be.**

**"That's the most important thing the club showed in that moment."**

NEW PLAN REVEALED TO EXTEND

# FIFA SAY PLAY TO A FINISH

## World game's bosses extend season indefinitely and make sure teams keep their players

By JOHN ANTHONY

**FIFA have told leagues around the world that they MUST complete their 2019-20 season.**

And the world's governing body is putting measures in place to move transfer windows and make sure player contracts don't expire during the extended campaign.

The move is an attempt to end speculation that the current season will be declared null and void.

FIFA will allow clubs to give short-term extensions to players contracts that expire at the end of June.

And they will tell leagues around the world to take as much time as they need to complete their current season — even if means going into autumn.

That flies in the face of what UEFA chief Aleksander Ceferin said a few days ago.

He was adamant that European leagues had to be done and dusted by the start of August or face cancellation.

Now FIFA have acted and will move the world football calendar around to make sure games can be fitted in.

What that means for the Champions and Europa League is unclear.

And it's yet to be decided when the 2020-21 season will kick off. But the world's governing body is clearly taking the view that it's important to finish this season first, then think about what happens next.

The contract situation is one that will still take some unravelling.

## Extended

Most clubs have several players with deals set to end in June.

It's an even bigger problem for smaller clubs who often have most of their squad on short-term contracts.

FIFA have not yet made their proposals clear but it's thought that contracts could be automatically extended until the end of the season, whenever that may be.

That may cause some clubs problems in finding the cash to keep paying players while they have no gate money coming in.

And some managers have expressed concern about having to pick players who know they will be moved on as soon as the season ends.

There is also the matter of the transfer window.

The summer period for buying players is due to end on September 1.

But surely that will have to be put back in line with the FIFA recommendations.

The main issue for the Premier League is the estimated

# CAMPAIGNS FOR AS LONG AS IT TAKES

**OUT OF CONTRACT:** Vertonghen and Willian this June

£750m in TV rights that would have to be paid back if the season is not completed.

Already some foreign broadcasters have asked to delay paying their latest instalment because there are no games to broadcast.

## Neutral

But nothing can happen until the government gives its approval for the season to resume.

The most likely scenario seems to be games being played behind closed doors at different times so they can be shown on TV.

Already the law that says matches cannot be shown live on a Saturday afternoon has been temporarily eased with this in mind.

There have even been plans to play on neutral grounds like the FA training centre at St George's Park where there are a dozen Premier League standard grounds.

That doesn't help the lower divisions though so closed doors seems more likely.

All is expected to come clear in the coming days with FIFA announcing their proposals and each national league responding.

What does seem clear is that, unless the coronavirus crisis goes on for many more months than expected, the top divisions should play out their seasons.

# Gerrard praises Gers for wage drop

**RANGERS boss Steven Gerrard says the players and coaches have done the right thing by taking a pay cut.**

**The Ibrox first-team squad and staff will defer a portion of their salary for the next three months.**

**That's to make sure the lesser paid staff at Ibrox can continue to get their full wage packet — with the help of the government furlough scheme.**

**Gerrard said: "The players and the directors and staff have shown good leadership and responsibility to defer the wages. I think it was a no-brainer and the right thing to do. It's important that you show respect to all the people at the club whatever your role is and I think we have shown real good togetherness by doing this.**

**"I'm very proud of the efforts and the support of everyone at the club. It was unanimous that everyone wanted to do this.**

**"It's important during these hard times that no-one suffers from financial hardship.**

**"It does make me really proud as a manager that everyone was really keen to make sure that everyone was looked after."**

**FUMING:** Simon Jordan

# Jordan rages as players snub cut

**FORMER Crystal Palace owner Simon Jordan has hit out at Premier League players for not taking a pay cut.**

**The PFA are not happy with proposals for their top-flight members to take a 30% drop in their wages during the coronavirus shutdown.**

**The players say they are doing their own thing to give cash to NHS charities and are concerned that the clubs wouldn't pass on savings made.**

**Liverpool have done a big U-turn on their plan to furlough non-playing staff and Tottenham have come in for stick over using the government scheme.**

**Jordan is not happy with the players and believes it's time for them to put their hand in their pocket.**

**He barked: "The basic principle behind this is the two most profitable football clubs in English football, Tottenham and Liverpool, are the two clubs who have gone out and made a stance.**

**"I don't understand why Liverpool fans are not more angry with their players not coming to the fore and taking a pay cut.**

## Nothing

**"The leverage which was being bought by this furlough, Liverpool don't need £400,000 of savings from furlough.**

**"What Liverpool and Tottenham did it for is because they want to leverage the players because the players are not doing what they should be doing, despite the assertions of people, they have done nothing in four weeks.**

**"The reasons why they haven't done it is because they don't want to do it and they are going to have to be made to do it.**

**"The bigger picture is not about furloughs, it's about the elephant in the room. Why won't these players come to the fore now, why are they being dragged kicking and screaming by public opinion to take a pay cut.**

**"What can you do in three weeks? I don't know, maybe you can build a 4,000-bed hospital in London.**

**"But we can't get 600 players in the Premier League to take a pay cut which is clearly needed to salvage their club."**

**PFA chief Gordon Taylor hit back, saying: "The players are not self-employed. They make massive contributions to the Treasury.**
